Presenting the Health Insurance program is Kim Bateman, a professional health insurance specialist, representing all of Arizona's health insurance carriers for 10+ years. It is her commitment to find a healthcare solution that is best for you and your families. It is important you have the proper health coverage and at a cost that makes sense. You will have the opportunity to ask questions and get crucial health insurance education from a professional benefits specialist. You will leave feeling empowered and encouraged that you will find a health insurance plan that's right for you.

Presenting the Retirement Planning segment will be Harry Goss, who is with Prudential. He works with a team of specialists that can answer all of your questions about Retirement – when should you take Social Security, what should you do with your Deferred Compensation account, how can you keep building your retirement assets, and how do you protect those assets. These are issues that are important to everyone. We know you have concerns and it is our goal to cover the topics that are crucial to proper retirement planning. After the session, if you need to schedule some one-on-one time to be sure your particular needs are addressed, please let Harry know. Remember, there is no cost and there is no obligation. We just want to be sure you are getting good information.
